ELECTROME CORPORATION

SAFE
(Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by the individual or entity listed on the Signature Page (the “**Investor**”) of the dollar amount listed on the Signature Page (the “**Purchase Amount**”) on or about _____, Electrome Corporation, a Delaware corporation (the “**Company**”), issues to the Investor the right to certain shares of the Company’s Capital Stock, subject to the terms set forth below. This instrument is part of a series of instruments of like tenor and substantially similar to this instrument (each, a “**Safe**” and collectively, the “**Safes**”), issued to certain persons prior to, concurrent with, or following the date hereof.

The “**Valuation Cap**” is \$15,000,000.00.

The “**Discount Rate**” is 80%.

See **Section 2** for certain additional defined terms.

1. ***Events***

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the

Purchase Amount (the “**Cash-Out Amount**”) or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). If any of the Company’s securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, *provided* that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor’s failure to satisfy any requirement or limitation generally applicable to the Company’s securityholders, or under any applicable laws.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by its board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes, similar instruments and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes, similar instruments and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes, similar instruments and/or Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor’s right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes, similar instruments and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. **Definitions**

"Capital Stock" means the capital stock of the Company, including, without limitation, the **"Common Stock"** and the **"Preferred Stock."**

"Change of Control" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

"Company Capitalization" means the sum, as of immediately prior to the Equity Financing, of: (1) all shares of Capital Stock (on an as-converted basis) issued and outstanding, assuming exercise or conversion of all outstanding vested and unvested options, warrants and other convertible securities, but excluding (A) this instrument, (B) all other Safes and similar instruments, and (C) convertible promissory notes; and (2) all shares of Common Stock reserved and available for future grant under any equity incentive or similar plan of the Company.

"Conversion Price" means either: (1) the Safe Price or (2) the Discount Price, whichever calculation results in a greater number of shares of Safe Preferred Stock.

"Converting Securities" includes this Safe and other convertible securities issued by the Company, including but not limited to: (i) other Safes; (ii) convertible promissory notes and other convertible debt instruments; and (iii) convertible securities that have the right to convert into shares of Capital Stock.

"Discount Price" means the price per share of the Standard Preferred Stock sold in the Equity Financing multiplied by the Discount Rate.

"Dissolution Event" means (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other

liquidation, dissolution or winding up of the Company (**excluding** a Liquidity Event), whether voluntary or involuntary.

“Dividend Amount” means, with respect to any date on which the Company pays a dividend on its outstanding Common Stock, the amount of such dividend that is paid per share of Common Stock multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

“Equity Financing” means a bona fide transaction or series of transactions with the principal purpose of raising capital, pursuant to which the Company issues and sells Preferred Stock at a fixed valuation, including but not limited to, a pre-money or post-money valuation. For the avoidance of doubt, an issuance and sale of equity securities of any kind in connection with its participation in an accelerator program is not and shall not be deemed to be an Equity Financing as such transactions do not and shall not be considered to be a transaction with the principal purpose of raising capital.

“Initial Public Offering” means the closing of the Company’s first firm commitment underwritten initial public offering of Common Stock pursuant to a registration statement filed under the Securities Act.

“Liquidity Capitalization” means the number, as of immediately prior to the Liquidity Event, of shares of Capital Stock (on an as-converted basis) outstanding, assuming exercise or conversion of all outstanding vested and unvested options, warrants and other convertible securities, but **excluding**: (i) shares of Common Stock reserved and available for future grant under any equity incentive or similar plan; (ii) this instrument; (iii) other Safes and similar instruments; and (iv) convertible promissory notes.

“Liquidity Event” means a Change of Control or an Initial Public Offering.

“Liquidity Price” means the price per share equal to the Valuation Cap divided by the Liquidity Capitalization.

“Proceeds” means cash and other assets (including without limitation stock consideration) that are proceeds from the Liquidity Event or the Dissolution Event, as applicable, and legally available for distribution.

“Safe” means an instrument containing a future right to shares of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company’s business operations. References to “this Safe” mean this specific instrument.

“Safe Preferred Stock” means the shares of the series of Preferred Stock issued to the Investor in an Equity Financing, having the identical rights, privileges, preferences and restrictions as the shares of Standard Preferred Stock, other than with respect to: (i) the per share liquidation preference and the initial conversion price for purposes of price-based anti-dilution protection, which will

equal the Conversion Price; and (ii) the basis for any dividend rights, which will be based on the Conversion Price.

“Safe Price” means the price per share equal to the Valuation Cap divided by the Company Capitalization.

“Standard Preferred Stock” means the shares of a series of Preferred Stock issued to the investors investing new money in the Company in connection with the initial closing of the Equity Financing.

3. ***Company Representations***

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) The execution, delivery and performance by the Company of this Safe is within the power of the Company and has been duly authorized by all necessary actions on the part of the Company (subject to Section 3(c)). This Safe constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors’ rights generally and general principles of equity.

(c) No consents or approvals are required in connection with the performance of this Safe, other than: (i) the Company’s corporate approvals; (ii) any qualifications or filings under applicable securities laws; and (iii) necessary corporate approvals for the authorization of Capital Stock issuable pursuant to Section 1.

4. ***Investor Representations***

(a) The Investor has full legal capacity, power and authority to execute and deliver this Safe and to perform its obligations hereunder. This Safe constitutes valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors’ rights generally and general principles of equity.

(b) The Investor is an accredited investor as such term is defined in Rule 501 of Regulation D under the Securities Act, or the Purchaser is not a United States person (as defined by Rule 902 of Regulation S, a **“Non-U.S. Person”**) and acknowledges and agrees that if not an accredited investor or Non-U.S. Person at the time of an Equity Financing, the Company may void this Safe and return the

Purchase Amount. The Investor has been advised that this Safe and the underlying securities have not been registered under the Securities Act, or any state securities laws and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws or unless an exemption from such registration requirements is available. The Investor is purchasing this Safe and the securities to be acquired by the Investor hereunder for its own account for investment, not as a nominee or agent, and not with a view to, or for resale in connection with, the distribution thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

(c) If the Investor is a Non-U.S. Person, the Investor hereby represents that the Investor has satisfied itself, himself or herself as to the full observance of the laws of its, his or her jurisdiction in connection with any invitation to purchase this instrument, including (i) the legal requirements within such jurisdiction for the purchase of this instrument, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of this instrument and the securities issuable upon conversion thereof. If the Investor is a Non-U.S. Person, the Investor's subscription and payment for and continued beneficial ownership of this instrument and the securities issuable upon conversion thereof will not violate any applicable securities or other laws of the Investor's jurisdiction, and the Investor hereby agrees to make such additional representations and warranties relating to such Investor's status as a non-United States resident as reasonably may be requested by the Company and to execute and deliver such documents or agreements as reasonably may be requested by the Company relating thereto as a condition to the purchase and sale of this instrument and the securities issuable upon conversion thereof by such Investor. If the Investor is a Non-U.S. Person, the Investor represents, warrants and undertakes that neither it, its affiliates (as defined in Regulation 501 under the Securities Act), nor any persons acting on its or their behalf has engaged or will engage in any directed selling efforts (as defined in Regulation S) with respect to this instrument and the securities issuable upon conversion thereof.

(d) If the Investor is not a Non-U.S. Person, the Investor represents and warrants that neither (i) the Investor, nor (ii) any entity that controls the Investor or is under the control of the Investor, is subject to any "bad actor" disqualifications described in Rule 506(d)(1)(i) through (viii), as modified by Rules 506(d)(2) and (d)(3), under the Securities Act of 1933, as amended (the "Act") (each such disqualification, a "Disqualification Event"), except for Disqualification Events covered by Rule 506(d)(2)(ii) or (iii) under the Act and disclosed in writing in reasonable detail to the Company. If the Investor is not a Non-U.S. Person, the Investor represents that it has exercised reasonable care to determine the

accuracy of the representation made by the Investor in this paragraph, and so long as the Investor has knowledge that it holds or is deemed to hold at least 20% of the Company's outstanding voting equity securities, calculated on the basis of voting power, the Investor agrees to notify the Company if it becomes aware of any fact that makes the representation given by it hereunder inaccurate.

5. ***Miscellaneous***

(a) Any amendment hereto or waiver of any provision hereof must be in writing and signed by: (a) the Company and (b) (i) the Investor, or (ii) the holders of at least a majority of the aggregate outstanding purchase amounts of the Safes (such holders, the "**Requisite Holders**"). The Company shall give notice of such amendment or waiver effected by the Company and the Requisite Holders to any Safe holder that did not consent in writing to such amendment or waiver. Any amendment or waiver effected in accordance with subsection (b)(ii) of this paragraph by the Company and the Requisite Holders shall be binding on all holders of Safes, regardless of whether such holder has consented thereto.

(b) Any notice required or permitted by this Safe will be deemed sufficient when delivered personally or by overnight courier or sent by email to the relevant address listed on the signature page, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address listed on the signature page, as subsequently modified by written notice.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive subscription rights or otherwise until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other; *provided, however*, that this Safe and/or its rights may be assigned without the Company's consent by the Investor to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and *provided, further*, that the Company may assign this Safe in whole, without the consent of the Investor, in connection with a reincorporation to change the Company's domicile.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction. The parties (a) hereby irrevocably and unconditionally submit to the jurisdiction of the federal and state courts located in Delaware for the purpose of any suit, action or other proceeding arising out of or based upon this agreement, (b) agree not to commence any suit, action or other proceeding arising out of or based upon this agreement except in the federal or state courts located in Delaware, and (c) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this agreement or the subject matter hereof may not be enforced in or by such court.

(g) The parties acknowledge and agree that for United States federal and state income tax purposes this Safe is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).
